

Economic Boom

1. You may work by yourself, or with 1 partner.
2. Watch each of the three videos on the weebly. Watch all of the first 2, watch minute 1-5 on the last one.
3. What led to economic boom in the 1920s, 50s, 80s? What policies, business practices, products fueled the boom?
4. What similarities do you see in the three boom decades?
5. Create a poster (digital or hand-drawn) that represents the information you found.
6. You need to work quickly, tomorrow we do the economic busts.
