

## Economic Bust

<https://www.thestreet.com/politics/great-depression-causes-14663720>

<http://www.ushistory.org/us/58b.asp>

<https://www.history.com/topics/21st-century/recession>

Use the links above to research the major economic downturns in the 20th and 21st centuries (There have been other recessions)

What caused each of the downturns?

How were each of the downturns similar? (How did they impact us)

What did the government do to end the economic downturn and make sure it didn't happen again?

Create a \_\_\_\_\_ and put it in your google folder.
